

ZSL London Zoo shows its stripes for excellent events

At the beginning of September, ITA welcomed over 250 event bookers to the Zoo's first exclusive showcase and large-scale private viewing since the superb new Terrace Restaurant and events space opened.

We love this stunning new space, a refurbishment which has created a new event setting for up to 600 guests. Housed in the historic Regent's Building, it features a double height ceiling and is overlooked by a beautiful mezzanine level, not to mention the upper terrace deck designed to afford unique views across the Zoo.

The Terrace Restaurant worked brilliantly as a hub space for the event, displaying exhibition stands and providing a great setting for networking, and we were delighted to have a chance to show its potential. Other spaces on show included the recently opened Tiger Territory, the ever-popular Penguin Beach and vast outdoor space the Barday Court. There was also the opportunity to try a variety of delicious Ampersand dishes, including Indonesian canapés in Tiger Territory and a range of bowl food in the Terrace Restaurant such as wild mushroom risotto slow braised pork belly and even a mini Christmas dinner!

This three-hour special event was a fabulous showcase of ZSL London Zoo's versatile and inspiring function spaces. Event bookers had the chance to have drinks with the tigers, watch Penguin Beach Live! and tour the Zoo's facilities. ITA were on hand to show off the various event spaces and talk attendees through the packages available for both corporate and private events. We were delighted to see many visitors added a touch of animal to their outfits, and we joined in the fun with our kitty ear headbands! Of course the stars of the show were the Zoo's friendly animal residents, who came along to give guests a taste of the Animal Encounters ZSL London Zoo can offer to enhance events held there.
